(c) 2019 Elizabeth R. Nugent.

Home. CV. Research. Book Project. Essays, Opinions, Policy Papers. Queen Elizabeth I ascended the throne at a time of religious conflict and she provided a successful course between Roman Catholicism and Protestantism. She oversaw a period of peace and prosperity; and provided an environment for the flowering of the arts and literature. Such was her influence that the period of her reign is referred to as the Elizabethan era.

Two Nugent manuscripts: the Nugent Duanaire and Queen Elizabeth's Primer

Ó Macháin, Pádraig

Date: 2012

Abstract:
The political significance of two Irish manuscripts (National Library of Ireland MS G 992 (the Nugent Duanaire), and Elizabeth’s Primer (Farmleigh)) in the context of moves to use the vernacular as a vehicle for the advance of the Reformation in Ireland.

Diet, lifestyle and body weight in Irish children: findings from Irish Universities Nutrition Alliance national surveys
Walton, Janette; McNulty, Breige A.; Nugent, Anne P.; Gibney, Michael J.; Flynn, Albert (Cambridge University Press, 2014-03-05)

Childhood obesity is an issue of public health concern globally. This review reports on levels of overweight and obesity in Irish children and examines some aspects of their diet and lifestyle proposed to promote or protect ...

Vitamin D status of Irish adults: findings from the National Adult Nutrition Survey
Cashman, Kevin D.; Muldowney, Siobhan; McNulty, Breige A.; Nugent, Anne P.; Fitzgerald, Anthony P.; Kiely, Mairead E.; Walton, Janette; Gibney, Michael J.; Flynn, Albert (Cambridge University Press, 2012-08-12)

Previous national nutrition surveys in Irish adults did not include blood samples; thus, representative serum 25-hydroxyvitamin D (25(OH)D) data are lacking. In the present study, we characterised serum 25(OH)D concentrations ...

Secular trends in reported portion size of food and beverages consumed by Irish adults
O'Brien, Sinead A.; Livingstone, M. Barbara E.; McNulty, Breige A.; Lyons, Jacqueline; Walton, Janette; Flynn, Albert; Segurado, Ricardo; Dean, Moira; Spence, Michelle; McCaffrey, Tracy A.; Pourshahidi, L. Kirsty; Nugent, Anne P.; Gibney, Eileen R. (Cambridge University Press, 2015-03-19)

The present analysis aimed to investigate the changes in the reported portion sizes (PS) of foods and beverages commonly consumed by Irish adults (18–64 years) from the North South Ireland Food Consumption Survey (NSIFCS) ...
